

More Government Intervention in Beef Seen by Speaker

DR. BRUNK

Controls Would Be Disastrous, Professor Chides Import Fuss

Kansas City, Mo. — The cattle industry faces "impending" beef price controls, marketing expert Dr. Max Brunk recently told a Livestock Marketing Congress '78 audience here. Such controls would be "disastrous," Dr. Brunk, of Cornell University, said. "I don't agree with it at all. It doesn't make sense, but you're going to get some sort of political action. That is a prediction I must make, but I hope it is wrong."

Stuph & Thangs

POLITICAL CATS ALWAYS LAND FEET FIRST...

MOVING? Please use form inside paper and give full information. Mailing list is run on Friday following week.

Just about anybody who knows anything about cats knows that there isn't a way you can drop a cat without the cat landing on its feet and purrily mutch the same thing applies to the Political Cats. Since California's notorious Proposition 13 alerted the Tax Eaters to the fact that the people are fed up with High Taxes and Bureaucratic Waste, it is amazing how the Politicians have jumped on the Band Wagon and are claiming Economy in Govtment in their very own and they discovered it their own self.

Of course, this takes more than a smidgen of digastin' on the part of you and me, but the feller that said Politicians are famous for their ability to get into a revolving door test and come out at the head of the line was understatin' the case. For instance, the U. S. Conference of Mayors was more than somewhat upset that President Carter (CONT. ON PAGE 8)

Feeder Calves Sell Strong in Second Fort Worth Special

Fort Worth — Prices were about \$2.00 per cwt. higher than earlier in the week in the second special "Top Dollar" stocker-feeder calf show and sale at this season held June 29 at Fort Worth Stockyards. Receipts totaled 4188 head. The third special in the 1978 (CONT. ON PAGE 8)

CB Radio Brings Farm Efficiency

BY DON C. DECKER
County Extension Agent

Wichita Falls — The CB radio is adding a new dimension to the living of the farm homemaker. More and more I'm observing the base station located in the home is making the wife a clearing house for farming and ranching operations.

While placing a cotton demonstration with Harrison McArthur recently, the wife of Gary McArthur planted the field so we could continue planting. Support was given to the village of pickup. Early in the conversation, the farmer remarked to his husband, "You kept me so busy on the radio this morning, I've been unable to get my (CONT. ON PAGE 19)

Wheeler Elected ICA President at Meeting

Roy Wheeler, a Pleasanton businessman and civic leader, was elected president of the Independent Cattlemen's Association at the association's 4th annual convention in Austin June 22-25. The ICA House of Delegates made the selection of Wheeler unanimous. Wheeler owns the Alacena (CONT. ON PAGE 2)

Wheeler Elected ICA President at Meeting

(CONT. FROM PAGE 1)
Livestock Exchange in Pleasanton and was selected as the Outstanding Businessman of Alameda County in 1978. Elected to serve with Wheeler on the state executive board of the association were Dr. Eddie Foyne of Bryan, last vice president; Fred Brown of Gonzales, 2nd vice president; Andrew Grehm of Hutto, secretary; and John Moore of Grapeland, treasurer. Wheeler replaces T. A. Cunningham of Goliad who founded the association and served as its president for four terms. Cunningham will continue to act as an advisor for the association and plans to step up his duties as president of the Independent Food and Energy Producers, Inc., a national organization with which the cattlemen's association is affiliated. "I am very pleased to see the association's confidence in me and I will do my best to continue the fine tradition that has been established by T. A. Cunningham," said Wheeler in his first address as president of the association. "We have a fine future ahead of us." In resolutions adopted by the delegates, ICA pledged to fight land use,

Here's how to make **EXTRA PROFIT** on your grass!

Produce **EXTRA GAINS** that cost as little as 20¢ to 25¢ per pound with **EVERGREEN BEEF DEVELOPER**. "It costs less because it does more!"

Many of our customers get an extra pound of gain with every 2 to 3 pounds of feed.

We're taking the extra gain... as much as an extra pound per head per day! On 50 head, that's 5,000 pounds in just 90 days! ... 6,000 pounds in just 180 days! Soon after starting Evergreen Beef Developer, you can actually see your cattle "put on" ... we improve in half-time, and buyers often pay a premium for cattle that are supplement-conditioned and ready to "take off" in the market. Beef Developer is also excellent for developing young bulls and heifers for herd replacements, or it can be used to stretch your pasture to carry up to twice the load.

BRANGUS The Ideal Mother.

There's just one reason you need Brangus cows working for you—PROFIT! Brangus is America's number one brood cow, because she consistently produces calves that are in great demand by stockers, feeders, packers, and consumers. And this means consistent profit for you!

Brangus females mature early, calving as 2-year-olds with no problems, and they give a 20% to 40% longer productive life. They are excellent milk producers, and their calves gain faster, wean heavier, and do better than calves of other breeds. With Brangus females, you eliminate sunburned teats, sore eyes, and other disease and pest-related problems.

Only animals with a 3/8 Brahman-5/8 Angus heritage are true Brangus, for only this combination gives animals with the hardness, adaptability, and high production that is consistently characteristic of the Brangus breed. If you want PROFIT, you need BRANGUS!

For information about scheduled events, upcoming sales, and sale catalogs, call collect: Lauren Mayhew, Secretary, Texas Brangus Breeders Association, P.O. Box 570, Sealy, Texas 77474. Tel. (713) 885-3364.

You get what you pay for! More and more cowmen are finding out—**TEXAS BRANGUS BREED PROFIT!**

elated to go to Panama and cuddle up with Torrijos, rather than appear at their meeting and they figured a way to get even would be to invite Sen. Teddy Kennedy to headline the program. Kennedy would show how they really feel about it. Kennedy has been saying he favors and will support Carter in 1980, but folks close to Kennedy say they figure he would accept the nomination in 1980 if things work out that way.

Anybody that has been paying any attention at all knows Kennedy is in the lead when you consider Big Spenders in Congress. His legislative proposals make all the rest of the Big Spenders look like two-bit politicians. An example is the National health program.

another is the proposition that the Government to foot the bill for the expansion of anyone who wants to appear at Government hearings on proposed legislation or regulations. Since His Papa Joe Kennedy set up trust funds for all the Kennedy kids so they did not have to sell their kennele making a living and could devote their lives to their political careers, it is not surprising that Teddy figures that throwing tax money at any problem is the popular thing to do and has no perception of the fact that you and me have to provide this type of confetti.

At the Mayor's meeting Kennedy suggested the Washington Establishment as the root cause of all tax woes and this should be obvious to one and all. For instance, the other day the House big noise about voting a cross the board in funds for HEW. Then Sunday on

Panhandle Directs

Amarillo, June 30, (P-S) — Slaughter steers closed 1.00-1.50 lower while heifers were 2.00-3.00 lower. This week's movement was the largest movement in seven weeks and has helped clean up a slight backlog of cattle that had built up over the past month. The carcass beef trade opened the period 1.00-2.00 lower, but turned around late Wednesday and closed as much as 2.00 higher. Steers, 51,200; good and mostly choice, 70-80 percent choice, 2-4 1000-1200 lbs. 50.00-52.00, late 51.00-52.00. Mixed good and choice 2-4 925-1200 lbs. 49.00-51.00. Good, few choice 2-6 1050-1100 lbs. 48.00-49.00. Including Holsteins, 48.00. Heifers, 16,800; 4 loads choice 2-3 875 lbs. 49.00. Good and mostly choice 2-4 850-950 lbs. 47.00-49.00. Late 48.00-49.00. Mixed good and choice 2-4 850-950 lbs. 46.75-48.00. Good, few choice 2-6 925-1000 lbs. 47.00-49.00. Good and choice 2-4 950-1050 lbs. 48.00-49.00. 6 loads mixed 47.00.

The T&V Joe Calles, the head knocker at HEW, smirked as he said even if that cut sticks, the House has already appropriated \$400 million more for HEW than the Carter Administration even asked for.

Some years back a friend of ours tried to organize a Taxpayers Revolt and it appears he was a little ahead of time for this effort. We still keep one of his bumper stickers kung up in our office which reads "TAXPAYERS REVOLT - VOTE THE RASCALS OUT" and now might be a good time to revive his idea and get some of those stickers printed up to remind folks that it's only a matter of time before we are going to get rid of the Washington crew in Congress to make a change in the thinking up there and until that happens don't give your hopes up too much.

Ever thine, The Editor. P. S. Uncle Sam claims the news media and White House under Carter and numerous prominent liberal thinkers who combined to make some sort of hero out of Alexander Solzhenitsyn, the former Soviet martyr, have very cozy cheeks these days after he told his Harvard audience how rotten America and the news media are. Maybe Jerry Ford knew something when he refused to let Alex to the White House. Dunk figures Nixon's coming-out party in Kentucky just goes to show you the game is never over until the last man is out and a lot of dyed in the wool Nixon backers are probably broke out in hives at the thought of Dunk figures the new White House crisis over the appointment of David G. Gortner to the Commodity Futures Trading Commission, even after that \$72,000 stock gift from the head of a firm over which he would have some jurisdiction, and President Carter's call for his resignation or to indicate somebody up there is not such a fast learner as we have been told. Gortner's refusal to resign is making another "nove ovom" that may equal the Bert Lance episode. — Thassell, Brothers

Controls Would Be Disastrous, Professor Chides Import Fuss

(CONT. FROM PAGE 1)
Dr. Brunk, who has been a consultant to the livestock and meat industry for over 20 years, spoke on "Meeting Product Preferences." The Congress, conducted annually by Livestock Marketing Institute, Kansas City, Mo., had as its theme, "Meeting Society's Changing Expectations."

Dr. Brunk said controls would likely come about because consumption of beef has steadily grown over the past 25 years and "Consumers, in their frustration over (current) prices, will very likely force government intervention in the marketplace," rather than cut back on consumption.

Turning to the beef import question, Dr. Brunk said "Imports just aren't that important. In fact, it's too bad that they aren't because if they were they could help you avoid disastrous controls."

he was also critical of the industry's battle against imports, saying, "An

the yards, which were opened in 1889. Hereford, Angus and crossbred calves and yearlings show and sell in pens of 10, 20 and 40 head, herefords and steers are shown and sold separately and bulls may be shown and sold with steers. Judging of show cattle starts at 7:30 a.m. and trophy and ribbon winners start selling at 10 a.m. Odd lots begin selling at 8:30 a.m.

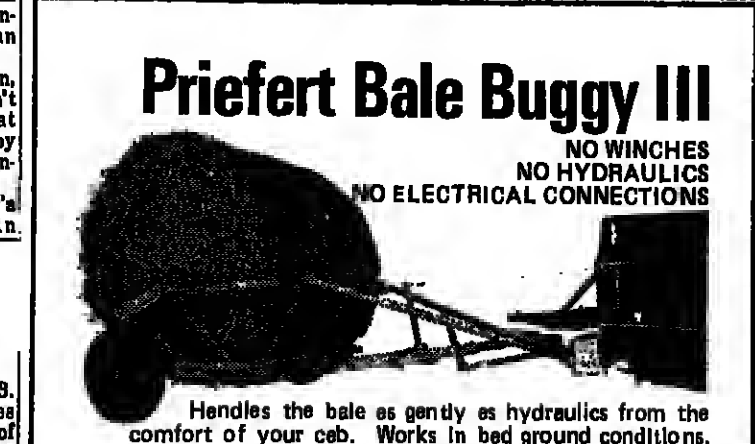

This year's other sale dates are August 31, September 28, Oct. 28 and Nov. 16.
Cattle may be consigned to any of the seven commission firms operating on the yards. They are Carson Commission Co., 817/824-8191; John Clay & Co., 817/824-1800; Farm & Ranch Commission Co., 817/824-2181; Farmer-Kutik Commission Co., 817/824-2178; Foley-Allen Commission Co., 817/828-5761; Hutchens Commission Co., 817/824-1194, and Leon Rella Livestock Commission Co., 817/824-2121.
Further information is available from Fort Worth Stockyards, 181 East Exchange Ave., P. O. Box 4278, Fort Worth, Texas 76106, phone 817/824-3101.

In a year's time the land lost to farming for urban development and other non-farm uses is equivalent to the amount of land needed to produce enough wheat to make 1 1/2 billion loaves of bread.

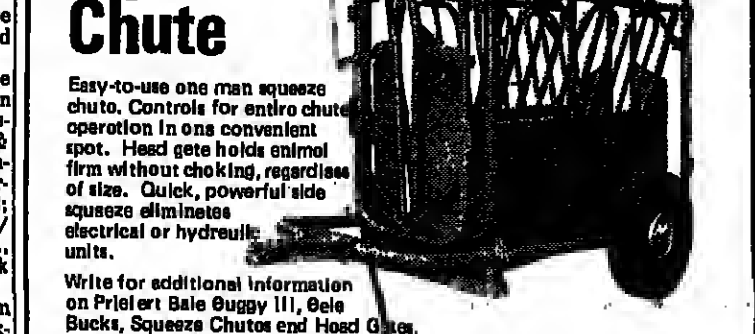

industry that needs every bit of credit it can muster with the consuming public certainly is not gaining many favorable points by opposing imports at this stage.
"You have a problem of public relations that is very severe today and you better recognize it," Dr. Brunk concluded. "Stop thinking about your pocketbook right now — in the long run it will be to your benefit."

The administration's action on imports was "appropriate. It may have been ill-timed, I don't know. I do know one thing," he said, "that too (of allowing more imports) can't be used again. There simply isn't enough meat anywhere in the world to avoid the im-

pending price rise."
Brunk, who is a professor of marketing, predicted that dissatisfaction with beef prices "is not going to come from the consumer organizations. It's going to be spontaneous."
Brunk also said "the major battle" the livestock industry will be facing in the future will be "product adulteration. At least a hamburger made partially of imported meat tastes like, and is, beef, but a hamburger extended with 20 or 80 percent spun soybean fiber tastes more like a piece of discarded auto box."
He added he didn't know what could be done about this issue, but said, "Extensive use of this mix will do more than anything I can think of to quell the (public's) taste for hamburger."

TEXAS HEREFORD NEWS

American Hereford Expo Slated July 20-21 At Kansas State, Outstanding Program

The 1978 American Hereford Expo scheduled for July 20 and 21, 1978, at Kansas State University, Manhattan, sponsored by the American Hereford Association, promises to be another conference which will have a major effect upon the beef cattle industry.

The program the first day of the Expo will be of great interest to all producers as sessions will be devoted to such important economic beef cattle traits as form and function of the animal, breeding programs and evaluation systems. The list of industry leaders appearing on these up-date sessions includes the "Who's Who" of the beef cattle industry as each participant has recognized authority in his field.

From the sale of carcasses composition will be covered by Dr. Will Butts, researcher for the USDA and the University of Tennessee; from the sale of carcasses composition will be discussed by Dr. Robert Tetuak, Head of Animal Science and Industry at Oklahoma State University and determining frame size through the use of linear measurements will be covered by Burke Healey, Flying L Ranch, Davis, Okla.

Regarding breeding programs, Dr. Richard Wilham of Iowa State University will discuss herd improvement through the rapid turnover of generations; Dr. Ray Woodward of the Livestock and Range Research Station at Miles City, Montana, will point out the good end of points of the breeding and Dr. Herse Leopold, Kansas State University, College of Veterinary Medicine, will discuss identifying and controlling genetic recessives.

Outstanding Kansas State University professors, Dr. Mike McKee and Dr. Bill Able, will discuss selection and judging breeding cattle and steers.

Putting the entire program into perspective and its practical use by discussing herd mating decisions will be Roger Stuber of Stuber herefords, Bowman, N.D.

"This Expo program follows such highly important conferences as the Frame Size Conference in Wisconsin in 1969 and the Evaluation Clinic in Oklahoma in 1970 as important links to improvements in the beef cattle industry."

ed for the breeders to have available more knowledge and a better understanding of the functions of the cattle herd," says H. H. Dickenson, executive vice president of the American Hereford Association. "For a breeder of Herefords, or any other breed, for that matter, to remain competitive in the beef cattle business, he must have a wide understanding of what traits are of highest economic importance and how to utilize knowledge of these traits to greater benefit. It is for these reasons the American Hereford Association has contributed to the industry by sponsoring such programs," Dickenson added.

Further details and information can be obtained by the American Hereford Association in Kansas City. Requests for lodging can be made through the Department of Information, American Hereford Association, P. O. Box 4069, Kansas City, Missouri 64101, or by calling 816/842-3767.

A Few Herd Bull Prospects and Some Real Top Bulls For Commercial Herds.

HEIRIRIN HEREFORD RANCH

P. O. Box 847, STAFFORD, TEXAS 75485
Located on Highway 19, between Hwy. 80A and Hwy. 80B, 1/2 mile west of the intersection.

Mike Smith of Van, Texas, is shown receiving a \$100 scholarship to East Texas State University at Commerce from Dr. A. C. "Buck" Hughes, left, head of the ETSU ag department, and Dr. Jimmy Weller, right, chairman of the ETSU agriculture scholarship committee. Mike was the scholarship for being high individual in the Texas Junior Hereford Assn. field day judging contest at ETSU June 28.

THA SETS BULL SALE AT 1979 FT. WORTH SHOW

Fert Worth — Texas Hereford Assn. will sponsor a Select Bull Sale at the Southwest Exposition & Fat Stock Show in Fort Worth, Jan. 23, 1979, at 8 p.m. immediately following the traditional THA commercial heifer sale.

Consignment deadline for the bull sale is Aug. 1, 1978. Consignors must be active members of THA and bull sales will be limited to normal AHA show classifications: two year old bulls to spring bull calves. Sale fee will be \$150 payable with consignment. James Oreta, Llano, manager of

Award winners at the Texas Junior Hereford Assn. field day at ETSU June 28 are, from left, front: Jay Weinheimer, Tedd Yeager, Jimmie J. Eckert, Kelly Weed, Kendall Newman, Shelle Martin, Kevin Newman, Ellen Eckert and Shene Summerhays; and back, James Reley, Nancy Davidson, Scott Fuhrmann, Kelly Fuhrmann, Mike Smith, Monty Montfort, Jeey Garcia and Jack Epting.

Granite Hills Hereford Ranch, the sale chairman, said the sale committee will attempt to see that this is the best set of bulls ever presented by the Texas Hereford Assn. for sale. Members of the sale selection committee are: Grete Ray French, Bob Cormack, Tom Cepelak and Jack Quinn.

For further information contact Jack Chastain, THA secretary, 8345 Westthrop, Suite 107, Fert Worth, Texas 78116, phone 817/782-7797 or 244-2837 (night); Palmer Willis, THA president, 1607 Verde, Odessa, Texas 79781, phone 915/368-8927; or James Oreta, sale chairman, Granite Hills Hereford Ranch, Box 467, Llano, Texas 78643, phone 915/247-5084.

OHA "Sweet 16"
Sale Averages
\$2103 June 29

Davis, Okla. — The Oklahoma Hereford Association's "Sweet 16" Sale of highly select cow-calf pairs at Healey Bros. Flying L Ranch here June 29, the 16 lots grossed \$38,650 for an average of \$2,103. The sale was managed by Guy Shull, secretary-fieldman for OHA, and George Morse, Laexa, Kae, was auctioneer.

The sale was a highlight climaxing two days of hereford activities in Oklahoma which included an Oklahoma Junior Hereford Assn. field day at the Wetmore Ranch at Morris, Okla., on June 28, and a tour on June 29 with visits to E. L. "Sweet" Cowan's place at Stratford; Guy J. Hereford and Dr. O. T. Easley Herefords at Ardmore; Topas Riley Ranch and Healey Bros. Flying L Ranch, both at Davis.

The top selling pair in the "16" sale was consigned by Oklahoma State University, Stillwater, and sold for \$6100 to Don Danie Grady, Okla. T. R. McGalla, Jr., of Chickasha, consigned a

ROOF COATINGS

Old roofs of composition shingles
 & old cedar shingles, can be ex-
 tended many years. Anyone can
 apply by brush. M.A. BLACK is a
 micoal asphalt that dries in 30
 minutes. Being thin, it penetrates
 the cracks and can, by itself, stop
 most leaks. Not a tar. T.M.
 WHITE is a white coating devel-
 oped especially to be brushed over
 the old roof. Either may be used
 without the other. Best recomen-
 dation is that the M.A. BLACK be
 applied and then two coats of T.M.
 WHITE. This very permanent re-
 coat, at a cost of less than a new
 roof. The white surface contrib-
 utes much to cooling in summer.
 This is our 28th yr. Write for our
 catalog. We ship memo day order is
 received.
